

Student Responsible Use Policy for The Westminster Schools

A Westminster student is expected to exemplify the principles of the Honor Code and the Discipline Code at all times including when using technology.

Safety and Privacy

- I will adhere to the age requirements and guidelines of all websites.
- I will protect my personal information and respect the privacy of others' information.
- I will respect my teachers by keeping all communication school related.
- I will show respect for myself and others by accessing, posting and hosting information and images that reflect positively on myself and others.

Digital Citizenship

- I will be honest about my identity when I represent myself in any online communication.
- I will use electronic devices appropriately, communicating and interacting with others in respectful ways.
- I will not access or use hate-based or sexually explicit materials, nor will I disparage others.
- I will show my respect for intellect and creativity by asking permission, giving credit and observing the law.

Classroom Use

I will follow all guidelines set by my teacher(s) regarding the use of electronic devices.

Conservation of Resources

I will respect and preserve resources by conserving paper, bandwidth and storage space.

Network Security

I will respect the connected nature of our digital community and will not tamper in any way with electronic devices owned or operated by the school.

Care of Computer

I will care responsibly for the computer that has been entrusted to me, following the guidelines of proper care and use.

Westminster reserves the right to access, view, or monitor any information stored on or transmitted over the School's technology resources, on or over personal equipment that has been brought to school or used to access the School's network and on or over personal equipment that violates any aspect of this policy.
